

SCOUNDREL

NARROW ESCAPE

Once per game session, the character may spend two Destiny Points to make a ♦♦♦ Streetwise check. If successful, the character is immediately able to flee from the current personal scale combat encounter unscathed. The challenge is not overcome or defeated, but the character is able to evade the hazard or threat for the time being. The exact nature of what the character is trying to accomplish, as well as the end results, must be approved by the GM, but be suitably creative or daring.
